Abstract

This article presents guidelines for making a correctly-formatted abstract for submitting to the 28th National Convention on Civil Engineering (NCCE28). Authors are encouraged to start their writing by replacing the text in this electronic document. It is compulsory to follow the guidelines provided here strictly. The abstract that is not in the correct format will be returned and the corresponding authors may have to resubmit. A good abstract should have only one paragraph with a limit of 250 words or less than 15 lines in length. Do not include a table or a figure.

Keywords: (3-5 keywords must be given) Prince of Songkla University, Engineering Institute of Thailand, Civil Engineering, NCCE28
