

Semester Progress Report for Postgraduate Engineering Scholarship
Faculty of Engineering

Section 1: General Information of the Scholarship Recipient

(Attach the academic transcript for the semester in which the progress is being reported)

Name of Recipient: Student ID:

Program: Engineering Field:

Checklist

- English Proficiency Test Results (Students must take the test from the first semester, take it every semester, and the score must show improvement. If the score does not improve, an explanation is required. Students must pass within 3 semesters (Master's) or 4 semesters (Doctoral).)

1st Test: Semester/Academic Year Score

2nd Test: Semester/Academic Year Score

3rd Test: Semester/Academic Year Score

4th Test: Semester/Academic Year Score

Or English Course Enrollment

Semester/Academic Year (Enrolled) Grade

- Cumulative GPA (Must not be lower than 3.00)

Cumulative GPA:

- Thesis Proposal Examination (Within 2 semesters (Master's) or 3 semesters (Doctoral))

Date of Examination (Day/Month/Year) Examination Result

- Published/Disseminated Work (Details such as article title, journal/conference, article status, etc.)

Details:

Section 2: Assigned Duties and Performance

2.1 Research Duties

Advisor's Assignment/Evaluation	Student's Performance

Signature

(.....)

Student

Signature

(.....)

Thesis Advisor

2.2 Teaching Assistant Duties

Assigned by Department	Student's Performance

Signature

(.....)

Student

Signature

(.....)

Supervising Instructor / Thesis Advisor

2.3 Other Duties (e.g., Student Activities)

Assigned by Department/Faculty	Student's Performance

Signature

(.....)

Student

Signature

(.....)

Assigning Officer

Section 3: Departmental Comments

3.1 Comments by the Program Committee Chair

☐ Recommend continuation of the scholarship. Reason:

☐ Recommend termination of the scholarship. Reason:

Signature

(.....)

Program Committee Chair

3.2 Comments by the Head of Department

.....
.....

Signature

(.....)

Head of Engineering Department
